

SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE

February 23, 2007

Permit Number: OCRM-07-044-M
Permit ID: 57558

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Jane O. Waring
C/o Dock And Marine, Inc.
P.O. Box 12699
Charleston, SC 29422

LOCATION: On and adjacent to the Dawho River at 7727 White Point Road, Edisto Island, Charleston County, South Carolina. TMS#: 092-00-00-002.

WORK: The work as proposed and shown on the attached plans consists of constructing a dock. Specifically, the structure will have a 4' by 136.2' walkway, with handrails, leading to an upland parcel of property. Beyond that upland parcel, a 4' by 810.4' walkway will lead to an 8' by 8' fixed pierhead, both with handrails. Floodside of the pierhead, a ramp will lead to a 6' by 16' floating dock. The applicant also proposes to install an 8' by 12' four-pile boatlift ebbside of the proposed pierhead. The purpose of the activity is for the applicant's private recreational use. **Portions of the proposed activity were previously authorized under P/N OCRM-01-329-G, which has expired.**

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before March 10, 2007. For further information please contact the project manager for this activity, Fred Mallett at 843-747-4323 ext.119.
